ARIZONA NEWS OF INTEREST

Gains have been general in the Phoenix springs valley though precipitation has fallen in the south-eastern portion of the northern end. Gains are reported as growing well and the cause of the condition so that agriculturists are expecting an extension of the period of prosperity they are now enjoying.

An informal meeting of the chamber of commerce has been held to discuss the preparation of maps for a more complete sewer system. At this meeting the question of expense was considered and no decision was arrived at.

The question of disbursements by the Wickenheiser has gone over until September 1 when it will again be considered by the board of supervisors. There are a number of matters to be decided and the case is a decided muddle at the present time.

The city council of Douglas has set the tax rate of that city from 60 to 70 cents on the dollar. In so doing, tax rates were raised \$7,000, thus raising all tax-payers of the Copper Queen company most largely. The assessment being raised \$1,000.

This is analogous to the annual assessmenting a number of the towns who inflict the restricted districts and inflicting of taxes of such sufficient to hold them in jail for a while. Those not arrested are taking to their heels.

Acting Governor Young has paraded down Williams, serving twenty years for shooting Everett himself in Douglas a little over a year ago.

An inquest on the body of John Wolderman who was thought to have been shocked to death by a use wire in the aluminum shaft of the Copper Queen company at Dewey also

veloped the facts that it was heart failure induced by natural causes that killed him.

A storm raged at the Roosevelt dam last week broke the power cables,

by means of which electric energy is generated for use in lighting Phoenix. No government power is expected for several days, but Phoenix will be supplied by a reserve steam plant of the Pacific Gas and Electric company. No important damage was otherwise done to the storm.

A permit was let to Olson & Clark of Phoenix for constructing four new buildings for the Phoenix high school for \$15,500. The contract for the heating goes to the Mechanical and Electrical company of Los Angeles for \$11,975.

A pile of six placent on the Arizona & Eastern track thirteen miles from Globe by Mexican laborers gave a timely warning of Washouts about Sunday evening and saved the train from wreck.

The 1200 Plaza and Maricopa Indians who occupy a reservation south of Phoenix, and who objected to removal by the state reservation, won their point and will remain where they are. They were aided by the Indian rights association of New York.

NOTICE OF SUIT.

In the District Court of the Second Judicial District of the Territory of New Mexico, William and for the County of Sandia, plaintiff.

No. 202.

Willard S. Hopewell, Anna Hopewell, Louie S. Speer, Pennsylvania Development company, W. H. Hogan, Arthur Kennedy, Francis J. Torrane, Santa Fe Central Railway company, Charles C. Murray, Receiver of the New Mexico Central Railroad company, Charles F. Kasher, Receiver of the New Mexico Fuel and Iron company, Pittsburgh Trust company, The North American Savings & Trust company, and The South Side Trust company, Defendants.

To the above named defendants and each of them.

The above named defendants and each of them will take notice that the above named plaintiff has filed the above named suit in the above named court, where the same is now pending.

The general object of said suit is for an accounting between the said plaintiff and the said defendants and each of them, and to determine the amount due from them and each of them to the said plaintiff on account of certain promissory notes, overdrafts and other indebtedness, including attorney's fees, to foreclose certain deeds dated the 24th day of June, 1902, which are alleged to have been intended as mortgages to cover the said indebtedness and to declare

the same a lien for said indebtedness. One of the said deeds having been given by Willard S. Hopewell, and Anna Hopewell, to the said plaintiff covering the following described property situated in Sandia county, New Mexico, to-wit:

On the northwest quarter of section thirty-four in township thirteen north of range six east of the New Mexico principal base meridian, and containing one hundred and sixty acres according to the government survey thereof. Also the north half of the southeast quarter of section forty-three and the north half of the southwest quarter of section thirty-four, in township thirteen north of range six east of the New Mexico base and meridian, containing one hundred and sixty acres, according to the government survey thereof. Also the northeast quarter of section thirty-one and the north half of the southwest corner of section thirty-four in township thirteen north of range six east of the New Mexico base and meridian, containing one hundred and sixty acres according to the government survey thereof.

And the other of the said deeds

having been given by Louie S. Speer, to the said plaintiff covering the following described property situated in Sandia county, New Mexico, to-wit:

The east half (½) of the southwest quarter of section five (5) in township number thirteen (13) north of range six (6) east of the New Mexico principal base and meridian and containing eighty acres according to the government survey thereof. Being and intended to be the same land purchased by the said Louie S. Speer at the United States land office, situated in New Mexico, as "Cost Entry No. 74" on the 14th day of May, 1902.

Also to foreclose a lien given by said defendants to cover said indebtedness on (22) first mortgage notes on the Santa Fe Central Railway company of the face value of \$125,000.00, said bonds being numbered as follows: 10001 to 10008, both inclusive.

Nos. 1 to 99, both inclusive.

Nos. 1 to 36, both inclusive.

Nos. 382 to 391, both inclusive.

Nos. 271 to 296, both inclusive.

And in case the said indebtedness so found to be due the plaintiff from said defendants and each of them upon said accounting be not paid, for an order of sale to sell all of the said property and apply the proceeds of the sale on the said indebtedness to one from the said defendants or any of them to the plaintiff, including the costs and costs of sale, and in case the said property upon sale being had under the direction of said court should not be sufficient to satisfy the said indebtedness, for deficiency judgment against the said defendants and each of them for the amounts respectively found to be due from them and each of them.

Said defendants and each of them are further notified that unless they appear and answer to the said cause on or before the 14th day of September, judgment will be rendered in said cause against them and each of them by default.

Plaintiff's attorneys are Dougherty & Griffin, whose post office address is Socorro, New Mexico.

Clark District Court.

Just as Easy.
Just a little millionaire.
Just a little star.
Mighty little happiness.
Awful lot of strife.
Just some little lawyers,
just a little nec.
Then a little evidence
To a referee.
Just a little agreement.
Just a whispered lie.
Scratching of the Judge's pen.
And everything is fine.
